

KVGS MEMBER SURNAME LIST

Example: Smith, John Paul (Margaret M. Jones) 324B-3, Fg. 2

Full name (with surname first) followed by spouse's name in parenthesis. The number following the name is the member's number. An A after the number represents the husband line and a B is the wife's line. If there is a number(s) following membership number, it represents the number of the ancestor chart that name appears on. A Fg is a Family Group Sheet and any number after it is the number of the Family Group Sheet.

Example of wife's listing: Jones, Margaret Mary (Mrs. John P. Smith) - 324A - Fg 2

These charts are kept in a file cabinet in the Genealogy Room.
