## NEWSPAPER MICROFILMS

The Kankakee Community College has on file microfilms of all the old Kankakee newspapers that could be found beginning in July, 1854. Some dates are missing and some are hard to read. However, one thing is quite outstanding about these early papers. They are very interesting. Many facts come to light that can provide ideas and clues to the researcher that may not have been thought of previously.

Going through the microfilms of the old newspapers give the reader a "feeling" for that particular time period as the newspapers carried considerable news on Indian uprisings, political doings, slavery issues, progress of the railroads, timetables and routes of stage coaches, steamer and passenger ship arrivals on both the East Coast and in New Orleans. There were items of news from the West Coast, China and of all the "wars" around the world. Reports were given of persons who were going back to Europe, to the East and Africa as missionaries, and of those going to Russia, under commissions.

As most persons who are researching this County know, Kankakee County came into being in July, 1853. That part south of the Kankakee River being taken from Iroquois County and that part north of the river being taken from Will County.

The following article was taken from the September 23, 1854, issue of the Kankakee Gazette.

"Monday, Sept. 11, 1854. Annual Meeting. (Editor's note: This is the first meeting of the new Board of Kankakee County that I have been able to find.) Present, Suprs. Hamilton, Richards, Byrns, Sequin, and Jas. M. Perry, Clerk. Board organized, F. Sequin, in the chair.

Other interesting items from the Kankakee Gazettes of 1854:

Sept. 16, 1854 - an ad appeared with the dating of June 27, 1854 placed by James GAY, School Commissioner of Kankakee City, advising persons interested in getting certificates to teach school, may call upon him for examination or to the following associates: Nelson BRIANT, Momence; Dr. MERRICK, Rockville; A. W. WARNER, Limestone; or A. CHESTER, Editor of the paper.

A. CHESTER carried many ads in the Kankakee Gazette and listed his title as "Attorney at Law and Land Agent. One of his ads appeared in the July 22, 1854 issue as: "A. CHESTER, Kankakee City or M. MARTIN offers for sale 70 acres near Bourbonnais Grove P. O. of which 50 (are) in Prairie and 20 (are in) timber with good house and barn and a shop 60 feet in length."

August 4., 1854, entitled "First Issue in Kansas" - "The first trial affecting squatter claims came up in Kansas on the 23rd of June (1854.). The Parties were Dr. SAUNDERS v. John LEWIS. The case was tried before Dr. BARNES, Judge FREELAND and J. S. FITCH, of the vigilant committees. D. A. GROVES and P. T. ABELL appeared for Plaintiff; James N. BURNES for Defendant. The points raised in the case were whether a claim made prior to the passage of the Nebraska-Kansas bill was a valid claim or not. The Court ruled it was not. Second, whether a claim was transferable or not. The Court decided it was not. Judgment was given in favor of LEWIS, the Defendant. Appeal was taken to a full bench of the vigilant committee."

Sept. 2, 1854 - "The Placerville Mountain Democrat (California) announces the death of F. A. SNYDER, Esq. He was formerly a citizen of Monroe County, Illinois, graduated at McKendree College at an early age, was admitted to the Practice of Law at 19, was appointed Lieutenant in the 16th Regiment of the Gragoons, under Col. Tibbutts, and after the war, went to California, where he was much respected."

Sept. 23, 1854 - an article entitled "Deaths from sun stroke" "During the past week two deaths have occurred in this city from sun stroke. The first victim was Mrs. MURPHY, wife of Thomas MURPHY. On Thursday she started to visit her daughter-in-law, but before she reached the house fell and was soon a corpse, amidst the lamentations of stricken relatives and friends. The other, was German, a vigorous healthy man who was struck down as grass before the mower scythe. People should be cautious about exposing themselves to the scorching rays of the sun."

Sept. 16, 1854 states "A Congregational Church has been recently organized at Kankakee City and measures are to be taken for the erection of a house of worship. The Rev. Mr. TURNER, recently of Iowa, is now in this place and is expected to remain here."

On October 7, 1854, D. T. VANMETER placed the following ad: "All persons hereby are notified that the grounds near my house, used for a burial place, are private grounds, and not adapted to a public cemetery; and persons are requested to select some other place for burying their dead. Those interested in the improvement of these can bury as heretofore." (Editor's note: Does anyone know what Mr. Vanmeter meant by this ad?)

## ANCESTOR INDEX CARD FILE

Arrangements have been made to establish an ANCESTOR INDEX CARD FILE that will be housed in the Library of the Polish Museum of America at 984 Milwaukee Avenue in Chicago. The Ancestor Index will be maintained by the POLISH GENEALOGICAL SOCIETY and will be accessible to all researchers. Members and non-members are invited to submit a card on the earliest ancestor of every line. Since the Index will be arranged alphabetically by the ancestor's surname, please prepare a separate card (3"x5") for each ancestor. Type or print clearly the following information:

1. Last name followed by first name and initial of the earliest ancestor in each line.
2. Date and place of birth. Be specific, if possible.
3. Date and place of death. Be specific.
4. Name of spouse. (Prepare a separate card for spouse with detailed information.)
5. List children on the back of card, giving file name and the dates and places of birth.

Prepare separate cards on allied families and a separate card for each variation in the spelling of surnames.

In requesting a search of the Index, please send a self-addressed, stamped envelope, and limit each request to five surnames.
