Program: What To Do When the Courthouse Burns

Divide the problem into parts and check everything! Check WPA records and do the following:

1. Write down time period family lived in the county.
2. Have there been any county boundry changes?
3. Make sure the record you need was actually in the Courthouse when it burned. Sometimes all records weren't kept in the Courthouse.
4. Be sure you know the legal jurisdiction. Is it a county record, a circuit record or what.
5. Did the family live near a county boundary? If so, you will have to check adjacent counties.

Synopsis of Meetings - continued

6. What specific records do you need and why.
7. What do you hope to learn and how is it going to affect the line of descent.
8. Focus your research - find a duplicate, substitute or replacement for what you are looking for.

Substitution Source:

1. Home & Family Sources
2. State vital records
3. Census records
4. Military records
5. Church records
6. Newspapers
7. Manuscripts (letters, diaries, journals, etc.)
8. Business and employment records (also school & college records)
9. City directories
10. Cemetery records

We currently have 55 paid members. It was decided we would have a workshop in June. Date and place have been decided: June 14 at the Redwood Inn.

President Burden has ordered all remaining Illinois census microfilms for the 1860, 1870 and 1900 census so our collection will be complete for the state of Illinois. A slide presentation and tape by Doris O'Connor on her trip to Ireland was shown.

April 5, 1986

We now have 58 paid members. Discussion was held regarding the upcoming workshop to be held June 14. Will/Grundy will be going in with us to sponsor this seminar. See full page announcement in this issue. Door prize donations needed.

G E N E A L O G Y W O R K S H O P

The Kankakee Valley and Will/Grundy Genealogical Society will hold a Workshop on Saturday, June 14, 1986, at the Redwood Inn, Route 52 South, Kankakee, Illinois. Registration will be from 8 to 9 a.m. with the programs starting at 9:15 a.m. and concluding at 3:30 p.m.

The Workshop will be presented by Ye Olde Genealogie Shoppe and will feature the following program.

Genealogy Basics (1 hour session): Information on proper techniques, information sources and documentation.

Courthouse Research (2 hour session): Comprehensive program showing how to unravel the mysteries and red tape of bureaucracy in the county courthouse. Among the topics discussed are how to determine availability of records, the functions of various offices and the records they create and maintain. A checklist is provided to assist the researcher. This checklist gives a step-by-step list of what records are in which office of the courthouse. Proper preparation for the courthouse visit and an understanding of the functions of various offices will enable the researcher to obtain the most information.

No Vital Records (1 hour session): There were periods when vital records were not required. There were also occasions when fires, floods, vermin or wars destroyed records. Where can the genealogist turn? Other public records, cemetery records and tax records are only a few of the alternatives available. Imagination, initiative and desire are all it takes to travel these "genealogical detours".

MANTENO ITEMS

Taken from the Kankakee Gazette, February 11, 1869

A valued correspondent at Manteno writes us that a splendid new post office building has recently been erected **in** that town. There are 396 boxes and 26 drawers. The structure is an ornament to the place. On Monday last week an election was held there to determine whether or not the town should become incorporated, which resulted in favor of incorporation. All hail sister city of Manteno! and may your "shadow never be less". Manteno is represented as flourishing finely, business good, everybody wide awake, improvements going forward rapidly, and things in general in "apple pie order". Good!

DESTRUCTIVE FIRE

From The Kankakee Gazette, March 4, 1869

THE WEST HALF OF EMPIRE BLOCK IN RUINS - FOUR STORES ON EAST AVENUE CONSUMED - DURHAM'S HALL AND MASONIC HALL DESTROYED - ESTIMATED LOSS \$75,000 - LOSS LARGELY COVERED BY INSURANCE

About 3 o'clock on Saturday morning, last, February 27, a loud explosion was heard, which woke many of our citizens from the deep slumber of repose, and a few moments later the startling cry of "Fire! Fire!" rang along the streets; the whistle of a freight train that had just arrived blew long and loud, which the city bells answered with the "clangor and the clamor" of their brazen tongues, and all was hurry and consternation as hundreds of citizens rallied to the scene of conflagration, and witnessed the red flames of destruction bursting from the windows of Dickson Brothers grocery store, on the East avenue side of the Empire block, and shooting like forked lightnings from the main story of that splendid brick structure, which had been considered almost fire proof. What produced the explosion, or what the origin of the fire, must ever remain unknown.

EMPIRE BLOCK

This was a fine brick block, three stories in height above the basement, containing six stores, three of which (J. G. Knecht and Swannell Bros) were 20 by 90 feet, and three 20 by 70 feet, all fronting on Court street. The block was erected in the summer of 1857, except the drug store of Mr. Wm. G. Swannell, which was built in '56. No. 1 of this block (corner of Court St. and East Ave.) was erected by Messrs. Durham, Dean & Dickson; Nos. 2 and 3 by Hiram Goodwin; No. 4 by F. Swannell; No. 5 by Wm. G. Swannell, and No. 6 by C. A. Lake. When completed it was considered the finest and most attractive row of buildings in the State, outside of Chicago. In the course of time several of these stores changed ownership - Mr. John G. Knecht purchasing No. 1, Pleasant Durham Nos. 2 and 3, and Joseph Gelino No. 6; Messrs. Wm. G. and F. Swannell's stores remaining unchanged as to proprietorship; and this was the proprietary status of things at the time of the fire. No. 1 was occupied as follows: Basement Story by Dickson Bro's, grocers; first or main story by John G. Knecht, as a wholesale and retail clothing store; the next story above was mostly occupied by Dr. John Moore, for medical rooms, and by William Potter, law office. The third and last story above the basement had been beautifully arranged and finished off into large and convenient apartments, which were used by the Masonic fraternity, and known as Masonic Hall. No. 2 was occupied - first story by Lindsay Bro's, clothing merchants; the second story by M. B. Loomis, law office, and Drs. Murray & Ullery, dental rooms. No. 3, 1st floor, drug store of W. Bonfield; 2d story was occupied by Huling Bro's, as a business office, and by the Grove City Silver Cornet Band, for a practicing room. In the third story of these two buildings was Durham's Hall, measuring 40 by 70 feet.

The above constituted the west half of Empire block - the part in ruins. The east half is occupied - No. 4 by Ripley & Chapman, as a hardware establishment, except the front rooms of the second story, of which Dr. A. Ames, dentist, has the occupancy. The basement and first story of No. 5 constitute the drug store of Wm. G. Swannell; in the second story are the millinery rooms of Mrs. E. H. Young; in the third story, measuring 20 x 70 feet, is Odd Fellows Hall. No. 6 is the dry goods store of Mr. Jos. Gelino, the entire building being occupied by him as a business place and family residence. On the east side of the block is located a large frame store (now being removed), which was occupied by

Destructive Fire - continued

Fonville & Rives, boot and shoe dealers, and by C. H. Gay, watchmaker.

THE FIRE

After the alarm was given the flames spread with wonderful rapidity, (considering the structure was brick) mounting up the stairs leading to the ante-rooms of Masonic Hall, while a dense volume of stifling smoke and flame poured into the clothing store of Mr. Knecht, staying all attempts to enter it to save the goods, or any part of them, and they, like the entire stock of Dickson Bro's, were consumed. Hundreds of people came to the rescue, but, owing to the absence of proper appliances for subduing the fire - in other words, the failure of the city to provide itself means to extinguish incipient fires, it was found that little could be done to stay the progress of the flames, although buckets were handled manfully and persistently, and the force pump and hose of Kenaga Bro's mammoth cistern were brought to splendid use, which, it is thought by many, was the means of saving the east half of the block, by checking the fire along the side walls of store No. 4 (Ripley & Chapman's). It was at first confidently expected that the heavy division wall between Mr. Knecht's store and No. 2 of Mr. Durham's, would confine the fire to the area of the former, but when, of a sudden and contrary to expectation, No. 2 (Lindsay Bro's, clothing) was found to be ignited and, soon after, lit up with flames, the consternation of all was expressed, and not a man but thought and said, "The whole block must go!" It was no longer prudent to wait, hope had failed, the insatiate destroyer was advancing number by number, and acting upon the general conclusion that the entire block would be destroyed, the several stores of Ripley & Chapman, hardware, W. G. Swannell, druggist, Joseph Gelino, dry goods, Fonville & Rives, boots and shoes, together with the offices and rooms occupied in the upper stories, including Odd Fellows Hall, were either partially or totally cleared of their contents, and piled promiscuously in the street. The damage to these goods was large, but fully covered by insurance.

Lindsay Bro's succeeded in saving a large share of their stock of clothing, &c., though more or less damaged. Mr. Loomis, attorney, whose office in second story was front and over Lindsay Bro's store, lost everything in his rooms. Drs. Murray and Ullery, dentists, in rear rooms of second story, saved nothing. No insurance. Dr. Murray's loss, \$700; Dr. Ullery's \$300, as stated to us by the first named.

From building No. 2 the flames were not long in reaching the elegant drug store of Mr. W. Bonfield, in a few moments communicating with the oils, liquors, kerosene, and other inflammable portions of his stock in the basement creating a terrible conflagration, while the heat was so intense as to drive all, except a few courageous workers, across the street. Mr. Bonfield succeeded in saving only about one-fourth of his stock, a large proportion being in the cellar or basement. Messrs. G. V. and Truman Huling, by a venturesome effort, managed to reach the safe in their office over the drug store, secured its contents, grasped two or three articles of value above the rooms, and left the balance to the rapacious devourer, whose fiery tongues hissed all around them. The rear room of this story were used by the Grove City Silver Cornet Band, who lost none of their new instruments but seven or eight of the old brass pieces purchased years ago, and worth probably from \$75 to \$100, were "melted up". In the third stories of No. 2 and 3 was Durham's Hall, which, with all its furniture, fix-

tures, ornaments, &c., is now no more. At this point, as by a Providential Interference, and a redoubled application of water from the large cisterns of Kenaga Bro's and W. G. Swannell, the eastward progress of the flames was arrested, though the next building, No. 4 (Ripley & Chapman) several times caught fire, but faithful men and willing hands met them promptly and extinguished the insidious element. The danger was still imminent, the suspense almost breathless; but it was just here as many say, that the little slender hose, bearing its burden of precious water from the warehouse cistern, and dashing it boldly in the very face of the flaming monster, saved us the painful task of writing up a further loss of at least \$100,000, and sparing the city an affliction from which it would not have soon recovered. The escape was indeed very narrow, and salvation came when it seemed almost impossible. Honest and sincere was the oft-repeated ejaculaion from scores of lookers-on, "God be thanked!"

While what we have narrated so far was going on, the conflagration extended down East Avenue as far as Dale & Durham's bank, consuming four wooden buildings, occupied as stores, as follows: W. S. Levett, merchant tailor; Wm. Whitcomb, boots and shoes; Fred. Ertzinger, groceries; F. M. Shafer, tobacconist; all of whom saved a large share of their goods, - the last three being protected from loss by insurance. Mr. Levett had a stock valued at \$1,700, of which he saved about \$1,000; loss \$700. No insurance. The double building occupied by Mr. Levett and Mr. Whitcomb, was owned by W. G. Swannell, and was valued at \$800. No insurance. Mr. Ertzinger rented the store owned by Mr. Schmitz, and occupied it below as a store - above as a residence. Mr. Shafer was similarly situated in the store adjoining the stone bank, which appears to be a lucky "fire break" in the right place, as shown on this occasion and others in the past.

LOSSES AND INSURANCE

We give below the estimated losses of parties who suffered by the fire, and the insurance, if any, they had, as they themselves have reported to us:

Dickson Brothers, loss \$5,000; insurance, \$3,000. Also lost books and accounts. John G. Knecht, loss \$30,000 on building and merchandise; insurance, \$22,000. Books and accounts safe. Dr. John Moore lost a rare medical library, apparatus, &c., valued by him at \$4,000. No insurance. Wm. Potter lost law library, papers, office furniture, &c., valued at \$900. No insurance. Also about \$3,500 in notes and accounts for collection.

Kankakee Chapter, No. 78, R. A. Masons, loss \$1,000; insurance, \$750. Kankakee Lodge, No. 389, A. F. & A. M., loss \$1,500; insurance, \$1,000. Owisco Lodge, No. 571 A.F. & A.M., loss \$200. No insurance. The records and seals of Kankakee Chapter and Lodge were fortunately saved, they being in the hands of the Secretary, Mr. Cleghorn. The records at Owisco Lodge were burned and all lost their charters.

Lindsay Brothers, loss not reported; insurance safe. Books and accounts saved. M. B. Loomis, law library, literary works, office furniture, books, papers, &c., loss \$1,200, not including personal notes and accounts amounting to \$1,500. Also notes and accounts for collection, \$2,500. Insurance \$500.

Destructive Fire - continued

W. Bonfield, druggist, loss \$12,000; insurance, \$8,000. Books and accounts saved. P. Durham, loss of buildings Nos. 1 and 2, Hall, &c., \$12,500; insurance \$8,000. Huling Brothers, loss \$1,200; no insurance. F. Swannell, damage to building No. 4 not reported; covered by insurance. Ripley & Chapman, hardware, damage sustained by removal of goods, adjusted and paid, \$100. Dr. Ames, slight damages. Insured. Wm. G. Swannell, druggist, damage to goods by removal estimated at \$1,000; insured. Joseph Gelino, dry goods; Fonvile & Rives, boots and shoes; C. H. Gay, jeweler; Mrs. E. H. Young, millinery, and Odd Fellow Lodge, sustained moderate damages, which are mostly covered by insurance.

Drs. Murray & Ullery, loss \$1,000; no insurance. W. S. Levett, loss and damage to goods saved, \$800; no insurance. Wm. Whitcomb, loss on tools and stock \$300; insured. Fred. Ertzinger, loss \$2,500; insurance \$2,000. F. M. Shafer, loss on stock and damage to goods \$500; insured.

EFFECT UPON BUSINESS

The aggregate loss, it will be seen, is very large, and in some cases very serious to the losers; but the aggregate insurance is also large, and in every case the sufferers have already resumed business, or will do so as soon as suitable places can be obtained. It is seldom so large a loss is suffered with so little unrepaired injury, and without compelling some of the sufferers to retire from business. Of course, the amount of money loss reported does not indicate the full damage sustained, as much of the property destroyed possessed other than pecuniary value. The business of the city will at once resume its accustomed activity, and the check upon its prosperity will be only temporary.
