HISTORY OF ST. MARK UNITED METHODIST CHURCH

KANKAKEE, ILLINOIS

written by Judge John Beckers
and Mr. Harry Parkhill

Upon the completion of the Illinois Central Railroad in the year 1853, Ketcham and Gray, as Trustees, platted and laid out the town of Kankakee City and started a sale of lots in said newly selected townsite. A few small houses were erected by the purchasers and a small community was established, particularly in that portion of the new city lying west of the Illinois Central Railroad.

Among these early settlers were a number of German and Swiss families, some of whom had come from Europe to America, and after spending one or more years in the larger cities and towns in the east, slowly migrated farther and farther westward until they reached the City of Chicago. Here they heard stories of the new towns and cities springing up along the new Illinois Central Railroad, and the wonderful opportunities which they offered. Being anxious to go on pioneering, they started southward from Chicago. Kankakee being the first of a number of such contemplated cities, naturally they investigated the possibilities here.

In the year 1844, the Illinois Conference of the Evangelical Association was organized and one of its circuits was known as the Naperville Circuit. This circuit extended from Cedar Lake in Indiana to Grand Prairie and included DuPage, Kane, DeKalb, Will and Kankakee Counties and was served by two ministers.

In 1852, John Riegel and J. Trumbauer were appointed as preachers on this circuit. In the course of their travels they must have been attracted by the new developments and apparently took note of the same, for at the Conference session held at Brookville in 1854 the Kankakee circuit was established embracing six appointments, which the next year were detached and formed into Cedar Lake circuit and all of the Grand Prairie appointments. In the year 1858 Kankakee and Grand Prairie were separated and Kankakee was established as a mission.

The actual work in Kankakee was begun 1854. In that year, Elias Muselman and G. Vetter were appointed to the Kankakee circuit. G. Vetter preached the first sermon on a Sunday afternoon in the month of July of that year in the public room in the Van Meter house, which is still intact, being located on the south side of Oak Street between Entrance and Fourth Avenue. At this meeting a

dozen listeners were present. A number of preaching services were held in this place until a small school house which was being built on the north side of Oak Street and New Avenue was completed, when the meetings were held in the school house for a short time.

In the autumn of this year, Christian and Jacob Boebel, who had resided for sometime at Naperville and had become members of the church, moved to Kankakee with their families. They were deeply interested in the Kingdom of God and thereafter regular services were held in their home for sometime. During the winter of 1854-1855 the first protracted meetings of the church were held and some thirty souls were saved, some of whom were destined to become pillars of the church. Among these it is reasonable to assume some were, if not all, of the following families: Mr. and Mrs. Michael Sauer who came from Wurtemberg, Germany, and settled in Kankakee in the autumn of 1853; John G. Knecht who came from Germany landing in New York in 1849 and who took up his residence in Kankakee during the month of April, 1854; John M. Umbach who immigrated from Kurhessen, Germany, March 11, 1854, and arrived at Kankakee in the early part of 1855; Carl and Ludwig Willman and their families and the John Nicholia family who came to Kankakee early in 1854; the John Peter Schmidt family came to Kankakee in 1853, and Mary Schmidt, later Lehnus, came to Kankakee in 1854.

These meetings were well attended and a number of others who had been seekers at these meetings were later converted so that in the autumn of 1855 the church had a membership of forty.

In the winter of this year, the foundation for a frame church was begun on Lot 9. Block 92, Associates Addition, located on the corner of Washington Avenue and Chestnut Street.

Conference in 1855 stationed J. O. Spielman as pastor and under his ministry the superstructure of the new church was completed and services held in the new church. The work continued to grow under the leadership of Rev. Spielman, but there is no record to show what was done or who became members of the church for a number of years.

From sources which we believe are reliable, the following, among other families, became affiliated with the church during the years 1856 to 1863; M. Stamm, V. Stamm, Jacob Knecht, Adam Umbach, Frederick Miller, John Wolf, Carl Oberheut, M. Erzinger, Ulric Erzinger, August Reimenschneider, Christian Bleilert, Adam Bauer, Henry Umbach, Anton Kramer, Michael Frank, Henriette Schmidt, Alexander Meier, Charles Lehnus and Charles Overheu.

On August 2, 1858, the first Sunday School was formally Organized, adopting a written Constitution. At said meeting, J. G. Knecht was elected Superintendent. It was the unusual privilege of Brother Knecht to serve in that capacity for 33 years, finally retiring in 1894, a record of faithfulness to trust and a fine testimonial of confidence in the congregation.

In the year 1861, the Civil War between the States was begun, upon the inauguration of President Lincoln. The Evangelical Church had condemned human slavery in its Discipline for many years. At the annual conference held in April, 1862, being the first conference after hostilities began, the Illinois conference adopted ringing resolutions pledging loyalty to the Union and support of the Government of the United States. It was but natural that with this background many of the men of the church would catch the spirit of patriotism. The Rev. George Vetter, the pastor, and nine of the young men of the church answered the call of President Lincoln.

In every time of armed conflict, the membership of this church has been intensely loyal and ready to share of its full duties to our government. We believe in the American way of life, and that the Government of the United States, with all of its imperfections, is the best form of Government ever created by man. In World War II this church had 41 men in some branch of the military and naval forces of the United States, and three in Civilian Conservation Camps.

After the close of the Civil War, the Church continued to gain in membership, and in 1867, during the pastorate of M. Heyl, the property on the corner of Washington Avenue and Chestnut Street was sold to Eli and Lawrence Martin, and the west 60 feet of the present church site was purchased and a frame church was first erected thereon. This building continued to serve the congregation until in 1887, during the pastorate of Christian Schuster, when the frame building was sold a new edifice was built at a cost of \$14,000.00. The dedicatory services were held on the last Sunday in November, 1887, Bishop R. Dubs conducting the service. Last payment on the church was made November 11, 1887. A new pipe organ was Installed in 1906, during the pastorate of H. J. Osterland.

In 1883, the parsonage adjoining the church was purchased. During the pastorate of Frank H. Feik, this parsonage was transformed into a parish house and was used for Sunday School purposes.

In the year 1867 the Kankakee church was, at its own request, taken off the list of missions and was made a station and the church has since remained a self-supporting charge of the Conference.

The brethren, I. Willman, M. Stamm, A. Reimenschneider and H. William Voigt were granted license to preach the gospel by the Illinois Conference of the Evangelical Church, and Edwin E. Voigt, a former Sunday School scholar, is one of the bishops of the Methodist Episcopal Church.

Nor were the women of the church wanting in their zeal in serving their Lord and Master. Three of their members have become Missionaries of the Church, Mrs. Mary Voigt Perrault, a Missionary to India under the appointment of

the Methodist Board of Foreign Missions, and Mrs. Dora Kramer Nielsen under appointment by the Evangelical Synod on its Mission Field in Africa, and Dorothy Miner under appointment to Africa.

This church has always been interested in the work of the Conference and entertained the Annual Conference in the years 1866, 1874, 1883, 1893, 1900, and 1921.

On June 27, 1893, during the pastorate of Frank Beuscher, the young Peoples Alliance was organized. Said organization is still functioning under the name of The Evangelical League of Christian Endeavor.

At the Annual Conference held in 1891, William Grote of Elgin, father of Rev. William E. Grote, and Herman Kramer of Kankakee, were elected as lay delegates to the General Conference of the Church which was held at Indianapolis, Indiana, in the fall of that year. Therefore, the Church has the distinction of sending one of the first lay delegates to a General Conference of our Church.

The women of this church early took a deep interest in its affairs, especially in the Missionary work of the church. On February 20, 1884, they organized the womanhood of the church into a church building Aid Society, which in the year 1897 was reorganized as the Women's Missionary Society. In 1919 the Ladies Aid Society was organized.

Kankakee was one of the first churches in the Illinois Conference to organize a regular Men's Brotherhood. On February 16, 1928, while William E. Grote was pastor, the Brotherhood was organized, and in the fall of that year invited the men from all the field located, in the northern part of the Peoria District to a banquet in the interest of Brotherhood work. This meeting was the beginning of the organized Brotherhoods of the Peoria District.

The new church that was built was one of the best in the Illinois Conference. Many ministers and general church officials, as well as others, had often complimented the church for the beauty, simplicity and utility of the church auditorium.

The Illinois Conference in 1944 stationed Rev. Earl James Bruso, our present minister, to serve this church. He and Mrs. Bruso entered upon their labors here with earnestness and have not spared themselves in this ministry. Under his aggressive leadership great advancements have been made and every success also brings with it certain needs. On January 7, 1948, William Backers, who with others sensed the need of additional Sunday School space, made a motion that a committee be appointed to work toward the erection of a new parish house. Such committee

was appointed and a canvass made for funds and by March 3, 1948, over \$8,700.00 in cash was raised.

Shortly thereafter Benjamin Franklin Olson, a church architect, made an inspection of our plant and reported back to the Council that such building could at that time be erected for about \$100,000.00, but that it would require at least \$50,000.00 more to adapt the present church with the plans, and then we would still have an old church.

The matter was then dropped for a time and again, on October 12, 1951, William Beckers made a motion that the minister appoint a committee to investigate the possibility of securing a location for a new church and report back to the Council. Rev. Brusio appointed J. H. Beckers, C. M. Bossert and Hiram Varness to serve on said committee. For almost a year this committee worked hard to find a suitable site for a new church. Many sites were investigated but none seemed to be suitable.

Finally, on September 12, 1952, the committee reported that the property on Calista Street east of Alma Avenue would be suitable and that a site could be purchased at a price of \$60.00 per front foot. This action was approved by the Council of Administration, and at a special meeting of the congregation the membership authorized the Board of Trustees to purchase 450 feet on Calista Street for the sum of \$27,000.00.

A campaign was launched to raise a fund to pay for said site and a committee consisting of Rev. Brusio, Chairman, Charles Cahan, Orland Lehnus, Arnold Marth, Edward Meier, James Carlson and Haven Trecker, was appointed to make the solicitation, and on February 20, 1953, C. M. Bossert, the financial secretary of the church, reported that more than \$27,000.00 had been paid in cash for the lot fund.

In October, 1952, the congregation voted in special session to engage Walter Kroeher of Arlington Heights, Illinois, as the architect for the new church building. The architect's plans were completed and the contracts let for a total of \$236,676.78. Ray J. Benoit was engaged as the general contractor, Glade Plumbing and Heating Company for plumbing and heating and the electrical contract was awarded to the Potter Electric Company. The contract for furniture for the nave and chancel was awarded to the American Seating Company and a new Pels Pipe Organ was ordered from the Michigan Organ Company, the gift of Mr. and Mrs. W. P. Beckers. Ground was broken for the new building on May 2, 1954 and the cornerstone laid Sunday, July 18, 1954.

The new church building committee consisted of the following: Hiram S. Varness, Chairman, William P. Beckers, Oscar Kilgas, Mrs. Edward Meier, Herbert Portratz, Herbert Sauer and Mrs. Herman W. Snow.

During the weeks of June 6, 1955, the congregation was moved into the new building. The first service was held on June 12, 1955 with the Rev. Earl James Brusco, pastor, presiding. He was assisted by the Rev. Donald J. Nunnally, Steward, Nebraska and Verlyn Harr, Naperville, Illinois. The sacrament of Holy Communion was observed.

During the following week, open house was held.

The dedication service was held June 19, 1955 at 3 p.m. with Bishop H. R. Heininger, D.D., presiding. His theme was "Give God's Order Priority". The mortgage burning service was held September 13, 1959 with Bishop George Edward Epp, D.D., presiding. His theme was "According to the Eternal Purpose".

Since then two lots have been purchased from Gracefield Division for a future parsonage and the church has been air-conditioned.

As the result of the union with the Methodist church in April, 1968, the name of the church was changed from First Evangelical United Brethren Church to St. Mark United Methodist Church.

COMINGS AND GOINGS FROM THE ST. ANNE RECORD--1908

The St. Anne Record recorded the events of the Wichert, Pembroke, Beaverville, Papineau, Martinton and Aroma Park areas as well as St. Anne. By 1908 rail travel had become available to many areas of the country and those who had moved westward from this area were beginning to return to visit the "home folks". Many others were still moving to other states to settle. The following index gives the names of those out of state visitors and whom they visited at that time. When it was available the blood relationship is also included. To save space numbers have been substituted for many of the common words and the reader should consult the chart below.
