FROM YOUR EDITOR

As you can see, this is the first quarterly done on our new computer and laser printer. I hope all of you are as happy with the results as I am. Please feel free to write in with comments regarding the quarterly and thank you to all those who have written to say how much you like our quarterly.

QUARTERLY/NSNSLETTER EXTRACTIONS

The NATIONAL ARCHIVES has increased fees from \$5 to \$10 for Veteran Records, Pension Application Files, Bounty Land Application Files, Military Service Records, Passenger Arrival Lists, and Eastern Cherokee Military Service Records. **NEW FORMS MUST BE USED.** Replacement for the NATF Form 80 may be requested from National Archives & Records Administration, 7th & Pennsylvania Ave., Washington DC 20408. ISGS Teaser, October, 1993.

OLD NAMING PATTERN FOR CHILDREN:

The 1st son was usually named after the father's father.

The 2nd son was usually names after the mother's father.

The 3rd son was usually named after the father.

The 4th son was usually named after the father's eldest brother.

The 5th son was usually named after the mother's eldest brother.

The 1st daughter was usually named after the mother's mother.

The 2nd daughter was usually named after the father's mother.

The 3rd daughter was usually named after the mother.

The 4th daughter was usually named after the mother's eldest sister.

The 5th daughter was usually named after the father's eldest sister.

This pattern was not always followed exactly but most would usually keep the pattern for the first three children. If there was a name that was found in every generation (example: John, James, William, Edward, Charles, etc.), then somewhere in their children you will surely find these names. If one is stuck on finding parents for an ancestor, try this pattern to give one a suggestion as to a name to search for. Jefferson Co. Gen. Soc. Newsletter, Vol. 2, No. 1, July, 1994.

NATIVE AMERICAN RESEARCH AIDS: Whites who married Indiana were not listed on the U.S. census records if the marriage took place in Illinois, Arkansas or Missouri before 1880. They were considered part of the Indian Nation into which they married. Starting in 1906, all Indiana had to fill out a claim that asked for children's names, parents, grandparents, birth/death dates, places of residence and birth, English & Indian names. The Family Tree, Vol. IV, No. 1, Feb./Mar. 1993.

REVOLUTIONARY WAR PENSIONS: Researchers unable to find Virginians who served in the Revolution on federal pension records might find them in the Virginia State Pension Records. The Virginia Pension was higher than the Federal one so 465 former soldiers and/or their widows chose the Virginia Benefit. Arizona GAB Newsletter, May 1993.

NEW SURNAME INDEX: In 1981 the Illinois State Genealogical Society published their first "Surname Book". This book has been a valuable research tool. A new surname book, entitled **Surnames of ancestors of Members**, is being compiled.

Publishing goal is the fall of 1995. Members are asked to complete and submit forms run in the May/June issue of the Newsletter.

- (Aug 14) In Manteno, June 15, of paralysis, Marguerite Manny, aged 82 years, 4 months.
- (Aug 14) In Manteno, July 1, Mrs. Christina Doud, aged 52 years, 10 months.
- (Aug 14) In this city, Aug. 9, Archie, infant son of John B. and Belle Keefe, aged 3 months.
- (Aug 14) At the residence of her daughter and son-in-law, Mr. and Mrs. Cagwin, in Yellowhead, on Saturday, August 2d, Mrs. Wm. Smith, aged 49 years.
- (Aug 21) In Saunders county, Neb., Byron F., son of F. E. and Anna E. Bird, aged 6 months, 7 days.
- (Aug 21) In this city, Aug. 18, of congestion of the lungs, Mrs. Aurelia Sibley, widow of James Sibley, Jrs., aged 47 years.
- (Aug 28) Capt. Francis M. Seguin, one of the early settlers of Kankakee county, and in some respects one of its prominent men, died at his home in Bourbonnais last Saturday at the age of about 65 years. Mr. Seguin has been in steadily declining health for the past few years, which culminated in softening of the brain, and his death has been anticipated for some time.
- Mr. Seguin came to this county in 1853, from Plattsburg, NY and took a contract for constructing the roadbed of the Illinois Central from Kankakee north to Rivard's crossing. In 1855 he was chosen deputy sheriff under James Byrns, and in 1857 was elected sheriff, which office he held for one term. In August, 1862, he went to the front as captain of Co. D, 76th Illinois Vols. Owing to physical disabilities he was discharged in less than two years. In 1867 he was doorkeeper of the house of representatives at Springfield. He held the office of supervisor of Bourbonnais township for a great many years, and has been justice of the peace, town clerk and postmaster of the village of Bourbonnais almost continually since his residence there. Among the earlier incidents of his life, was his active participation in the "Papineau rebellion" in Canada, in 1837-8, for which he was imprisoned for a time by the government, and eventually forced to leave the country. He was exceedingly open-handed, giving to public and private charities without stint. He was an enthusiastic and influential party man, and the republican party has ample cause to remember his services in it behalf. He leaves a family of wife and grown children. His funeral occurred at Bourbonnais Sunday afternoon and was attended by a large number of people.

(Aug 28) In Salina, Elmer Wellington, son of Amos M. and Emeline Hertz, aged 5 months.

(Sep 4) H. Hathaway, of Gowanda, NY, father of S. N. and B. A. Hathaway, died at his home last month, at the age of 79 years and 4 months.

(Sep 4) Mrs. Wm. Wilkinson, a lady well-known in this city, died last week Saturday after a prolonged illness.

(Sep 11) In Kankakee, Aug. 20, of dropsy. Mrs. Elizabeth Welch, aged 70 years.

(Sep 18) In this city, Sept. 15, infant daughter of Mr. and Mrs. Joseph Hubert.

(Sep 18) In this city, Aug. 30, of cancer, Mrs. Mary Wilkinson, aged 51 years.

(Sep 25) In Otto, August 14, of meningitis, George G. Bailey, aged 5 months, 15 days.

(Sep 25) In this city, Sept. 17, after a long illness, Ada, twin daughter of Mrs. Mary Winter, aged 12 years.

CITY CLAMOR - 1879

Taken from The Kankakee Gazette, August 7, 1879.

An even dozen of marriage licenses were issued last month in this county. The youngest couple were each 21, the oldest 70 and 64 respectively. Another couple were 42 and 20, and still another 60 and 49.

In the county court last week final certificates of naturalization were issued to Peter Spies and H. Frederick Krumweide. Upon the affidavit of J. H. Shaffer an attachment was issued against Lucius M. Case, of Waldron.

MANTENO - 1879

Taken from The Kankakee Gazette, August 7, 1879.

A lawn social is announced for next Friday evening, August 8, at the residence of M. R. Peters. Ice cream will be served among other refreshments; proceeds for the benefit of the M.E. church.

H. N. Kinney has just finished himself quite a capacious barn for the accommodation of stock and hay.

Mr. Labeau, a prominent farmer a little north of Manteno, died last week.

Mr. Adam Lockie lost two of his children a few days ago.

PILOT PENCIL POINTS - 1879

Taken from The Kankakee Gazette, August 14, 1879.

A man by the name of Woolf, living on the old Jesse Carpenter farm, lost his barn and corn crib, together with a spring wagon and two cultivators, by fire last week. We learn the fire was started by his children at play.

A little boy, son of Rev. A. C. Olson, fell off a load of hay last Friday, the wagon running over him. His arm was broken, and it is feared more serious injuries were received. He is attended by Dr. Caldwell, who is kept running night and day almost, there is so much sickness hereabouts.

The parties who mauled John Tremler so severely have made a settlement with him, we learn, they paying him \$25 and expenses. We think they got off too easily.

Prof. D. P. Hurlburt, of "hoss" notoriety, was in town last Tuesday, driving his reinless steeds through our streets. His little "blacks", Prince and Mack, are well broken and the Professor is undoubtedly a good horseman. After lecturing about an hour in his amphitheater he tried to get up a class for instruction, but

upon receiving only one name he became disgusted and left the town.

Mrs. John Cass of Sandwich, Ill., who has been visiting at her brother's, Mr. Eben Hills, returned on Thursday, accompanied by her brother and family.

Mr. A. S. Olson and family are visiting at Garner, Ill.

A Mrs. Wadsworth and daughter, of Woodlawn, Ill., who have been visiting at Mr. John B. Blair's, returned on Saturday.

"Bob" Folks has returned to **his** old home, Virginia, Ill.

Mrs. Ella Scroggins has again taken up her school duties after a month's vacation and will finish a four months' term in the Hubbard district Nov. 1. Her sister, Miss Dora, from Essex, is visiting at her uncle's, Cornelius Keepers.

The regular quarterly installation of officers of the Orent lodge No. 281, I.O. of G.T., occurred last Thursday night. The services were conducted by Albert A. Ayres, D.G.W.C.T. This lodge meets regularly on Thursday evening and is prospering finely. Let us hear from the other lodges in the county. Will "Maud Muller" please write up the Grant Park lodge? We believe they have a prosperous one there.

Mr. Joseph Yates, who lived on the west town line, died yesterday of brain fever, the result of partial sunstroke. He leaves a small family.

Taken from The Kankakee Gazette, August 21, 1879.

Rev. James Blair, of Tonica, LaSalle county, is visiting his father, Mr. John Blair. He preached last evening at the Hubbard school house.

We note the death of Mrs. Wm. Delay which occurred on Wednesday, the 13th inst. The deceased was a daughter of Mr. and Mrs. Hobbie, of Otto, and is, we learn, the fourth of their children who have died within two years.

We had the pleasure of attending the golden wedding anniversary of Mr. and Mrs. William Stowitts, held at their residence on Friday, 15th inst. Nearly one hundred and fifty invited guests were present and a most enjoyable time was had. The original ceremony, which took place in Keene, New Hampshire, in '29, was repeated by Rev. A. J. Kerr, when the party repaired to the town house across the way where a bounteous collation was served.

Taken from The Kankakee Gazette, September 4, 1879.

Mr. C. Lesch has just completed a nice barn; size, 30 x 50 feet. It is quite an improvement.

August 24th will hereafter be celebrated as the birthday of that little "shaver" down at Burr Clemmons'. It is nameless as yet.

The Rev. A. J. **Kerr** preached his farewell sermon at the Hubbard school house on Sabbath afternoon. He leaves for Princeton, NJ, at the close of the week, where he will attend college.

ESSEX - 1879

Taken from The Kankakee Gazette, August 14, 1879.

Threshing is in full blast. Grain of all kind yields well. The fall wheat, so far as we have been able to learn, is going from 25 to 30 bushels per acre.

Alex. Smith is on the sick list with inflammatory rheumatism.

Mrs. Sarah Schosser is sick-with neuralgia.

Frank Maiden is putting up a neat, commodious dwelling house.

Nick Colton has built an addition to his house.

John Smith has got a new Marseilles corn Sheller.

A party connected with the Chicago & Strawn railroad passed through here a few days ago, leaving grade stakes at different points along the route. They are working from the south and will reach this county in about ten days.

ROCKVILLE - 1879

Taken from The Kankakee Gazette, August 28, 1879.

The matrimonial market is firm. Mr. J. L. Reed and Miss Rebecca Mitchell have taken the "holy vows." Also Mr. Samuel Taylor and Mrs. Emanuel Reed. On Tuesday night last about 75 men and boys went to Mr. Taylor's, armed with guns, tin pans, cow bells and other implements of war, and demanded admittance to the presence of the bride. They were admitted and served with ice cream and lemonade; but some of the brave(?) boys forced their way into the cellar and helped themselves to cheese, cake and other eatables, and behaved rather unbecomingly.

One day last week, while driving through the streets of Wilmington, Mr. H. C. Castle ran his wagon over a little child which caused its death. We have not learned the particulars.

Walter Mann has returned from Indiana where he has been spending the summer.

Fred Mann, Sr., is excavating the cellar where his house was burned a few years ago, preparatory to erecting a new dwelling.

A company of five men and as many women from Rockville, spent three days last week in a grand duck shoot at Beaver Lake. They succeeded in blowing the life out of 23 innocent ducks. The party reached home on Wednesday night feeling as well and hearty as ever.

Elder Burd will deliver his farewell discourse at the Lancaster school house next Sunday at 11 o'clock a.m.

Mrs. McKee, of Terre Haute, Ind., is visiting her children in this vicinity.

There will be a temperance meeting at the church at Delselm's on Tuesday evening next. Both the Rockville bands will be present.

Taken from The Kankakee Gazette, September 18, 1879.

Mr. Moses Shreffler is improving his handsome residence by adding a coat of paint.

The grist mill at Altorf is in operation. "Uncle Bobby" Durham was the first patron and will testify to the good quality of "bread stuff" he received.

Capt. Miller had one of his fingers so badly smashed between two stones as to render the amputation of that useful member necessary. Dr. Knott did the job, and the Capt. is getting along very well.

Charlie, a little son of Mrs. Elza **Cox**, is dangerously sick with spinal fever.

Dan Durham has got the hay fever and a swollen nose.

Mrs. Viranda Long, of Indianapolis, has been visiting relatives in this county for two weeks past.

September 11 was the all-important day on which our young friends, Oliver Shreffler and Miss Jennie Taylor (daughter of Samuel Taylor) joined their fortunes. May joy accompany them to life's end.

COUNTY AT LARGE

Taken from The Kankakee Gazette, September 18, 1879.

S. H. Byrns is teaching the Papineau school at \$40 per month.

The towns of Essex and Salina are to have each a new iron bridge this fall.

It is reported that two saloons are in full blast at Momence, notwithstanding the no-license ordinance. The front doors of these places are open and a customer can get "suthin" over the bar just as of yore, except that he calls for "coffee" or "cider" and there is no bottles in sight.

Taken from The Kankakee Gazette, September 25, 1879.

Two new bridges have just been completed on Soldier creek, one at the north end of Schuyler Avenue and the other at Knight's quarry. Both are of excellent workmanship and will do service for years to come.

The Gazette has received the prospectus of that excellent educational institution at Bourbonnais, St. Viateur's college. Both classical and scientific courses are taught in this institution in a thorough manner, and degrees conferred at graduation similar to those of other regularly chartered college.

OLD SETTLERS - A SLIM REUNION AT CHEBANSE

Taken from The Kankakee Gazette, September 25, 1879.

The old settlers' meeting at Chebanse was very slimly attended last Tuesday, not more than 200 people being present in the place of the thousands who were expected. The principal reason given for this was that all were waiting for the second day when they would turn out in large numbers. The meeting was held in Chapman's grove about one-half mile from town, where ample provisions had been made for seating the spectators and a stand erected for the speakers. The Chebanse cornet band was present and enlivened the occasion with good music.

It was not until half-past two that the meeting was called to order and Judge Starr introduced as the speaker of the day. **His** address was short and well received. At the conclusion of his remarks the chairman especially requested the ladies to give their experiences of the early days, but Mrs. Sutherland, wife of Bliss Sutherland of Kankakee, was the only lady who could be induced to speak. She remembered Shabbona, the old Indiana chief, the wolves, etc.

Renville Beebe, of Aroma, the oldest settler on the grounds, and one of the very first in the county, was the next gentleman to address the audience. He came here in 1884. Among other facts he related that he could have bought at that time the best lot on Lake Street in Chicago for \$200, but he would not give \$25 for it as he did not think that a place where the farmers were obliged to haul their produce for a distance of twelve miles to the city through mud hub deep would ever amount to much. In those days he sold his pork in Chicago for \$1.50 and wheat for 33 cents. He could have got all the land about here he wanted for \$1.75 per acre.

Mr. Burton, of Aroma, was the next speaker. He came to the town of Kankakee 24 years ago. The only neighbors of that period he saw present at this meeting was George Huckins, of Otto, Renville Beebe, of Aroma, and E. Woodard of Kankakee. Mr. Burton's address was short.

Mr. Zeno Streeter, of Otto, was called to the stand and made an interesting talk. He spoke in such a low tone of voice, however, that many of his remarks escaped the Gazette reporter. He came to this State in '39. Often at night he would hear the wolves bound against the door. In the fall of '39 he hauled a load of wheat to Chicago and loaded it on a vessel which, it was said, was the first vessel loaded with wheat that was sent East from that city. At that time there was only four houses between Kankakee and Wilmington. It was the common opinion of the settlers, the speaker said that these vast prairies would be a cattle range for their cattle for all time to come.

At this point the reporter was obliged to leave to catch the train.

1850, were to be conveyed to the purchaser by the county in which they were situated, and he, in turn, was to assign his rights in the premises, and as assignee, the county was authorized to receive the amount of the purchase money from the United States, and when land was entered by warrant or scrip then, like warrant or scrip would issue to the county to be located on public lands elsewhere.

September 20, 1850, eight days prior to the passage of the "Swamp land act," congress granted the state of Illinois as an aid in the construction of the Illinois Central railroad, each alternate section (even-numbered) lying within six miles on each side of the said railroad and its branches, and where the lands within the strip had previously been disposed of by the general government, the railroad company was authorized to make selection of even-numbered sections lying within fifteen miles each side of the right of way of the railroad, to make up the deficiency.

"The history of the operations made under the grant, however, reveals the fact that in the years of land-speculation, immediately following the passage of the act, many of the lands conveyed by the grant were entered with cash or located by warrants by individuals.

As a result of this, contests arose as to the actual character of the lands thus disposed of, and the land bureau found itself overwhelmed with conflicting claims of this description. The process of adjusting these contests was necessarily slow, and congress intervened to relieve the department and the individual purchasers and locators.

"By act of March 2, 1855, all sales and locations made up to that date were confirmed, and upon proof that the lands were actually swamp, the state was allowed indemnity to be paid in cash, where cash had been received, and in other lands where the swamp lands had been taken by warrant location.

"It cannot be gainsaid in view of the strong array of judicial decisions on the subject that had the state of Illinois chosen to contest the right of the general government to thus dispose of the lands previously granted to her, she could have prosecuted such a contest to a successful issue. The moment the swamp land grant was approved, the title to those lands included in the grant, vested in the state of Illinois, and the general government had no more right to dispose of them than if she had never owned them.

"In a spirit of accommodation, however, and to afford relief to many of her citizens who had ignorantly purchased these lands, the state of Illinois acquiesced in the plan of relief embodied in the act of 1855, and agreed to relinquish her claim to the lands and accept the proffered indemnity."

(From the report of Isaac R. Hitt, State Agent for the adjustment of Swamp-land claims against the United States, page 8.)

The county has never received from the government any scrip or warrants for other lands in lieu of those so disposed of prior to the conformation of 1855, however, the county has received cash indemnity for swamp lands sold for cash between the dates of September 28, 1850, anti March 2, 1855, as follows:

April 29, 1861, W. H. Lamon, Co. Agt.	\$11,084.39
May 1, 1861, W. H. Lamon, Co. Agt.	5,454.18
Dec. 5, 1881, Isaac R. Hitt, Co. Agt.	1,744.86
Nov. 20, 1882, Isaac R. Hitt, Co. Agt.	4,470.66
Total amount received by the county	\$22,753.98

The county now owns no swamp land, and is supposed to have received indemnity for all swamp land sold for cash beyond the six-mile limit, and will probably never receive any compensation for swamp land within the six-mile limit, surely not without new legislation.

CHAPTER IX.

Care of the Poor—First County Farm Purchased in 1856 and Sold in 1868—Present Farm Purchased in 1890.

In the absence of special legislation to the contrary, the laws of the state provide that the poor of the county shall be cared for as county charges. This question always has been and is today, a difficult one to meet, to give justices to this unfortunate class in accordance with their varying necessities.

More especially did our board of supervisors find this to be the case from the organization of the county to 1861, when a special act was passed by the legislature, by which it was provided that the resident paupers of this county should be supported by the respective towns in

Chas B. Astle

which they resided. This act is still in force.

From the organization of the county to 1861, all support of the poor was furnished by the county. There were few meetings of the board of supervisors but that some bill or bills for the care of the poor were not presented, to be allowed or rejected as its merits demanded. So annoying did this question become that at a meeting in June, 1856, John C. Holliday, G. C. Merrick and James W. Burgess were appointed a committee to select a suitable farm for the care of the poor, and to report at the next meeting of the board.

August 1, following, the committee reported recommending that the county purchase one hundred and ten acres of land of George Smith, in the NE. $\frac{1}{4}$ S. 13, T. 31, N. R. 10 E., Salina township, at a cost of \$1,600.00. Thirty acres of the farm was in timber, and about 80 acres farm land. On this property was a small farm house, fruit trees and other improvements. It was situated ten miles from Kankakee, and about two miles from the Kankakee river.

The board adopted the recommendation of the committee, and directed that the committee draw their order on the drainage commissioner for the sum of \$1,000.00. September 11, the committee reported that they had employed Christian Koly and his wife as keepers of the "Poor House" at the salary of \$500.00 a year, recommended that an addition to the house of 16x24 feet be made, and that an appropriation of \$300.00 be made for such purpose.

The report of the committee was approved, and \$500.00 was appropriated as a county poor fund for the ensuing year, to be paid out on the written order of the committee of the county farm.

The following resolution was passed:

"Resolved, That inasmuch as this county has adopted the poor house system, temporary relief will not be granted to any paupers unless upon the written order of the supervisor of the town to the overseer of the poor from and after the publication of this resolution."

At this meeting, Supervisor Wiley, of Aroma, made the statement that one Mary Dally, a county pauper, would go to her friends out of the state rather than to the county farm, and asked that the board appropriate \$30.00 for her expenses in emigrating, which was readily granted. This is cited to show the advantage to the county of the adoption of the poor house system.

March 11, 1856, the county clerk was ordered by the board to draw an order in favor of the sheriff in payment of an execution which C. W. Knott had secured against the county for medical services rendered a pauper.

At the September meeting of the board there were bills for the "furnishing of paupers" to the amount of \$912.02 of which amount \$706.23 was allowed and \$205.79 rejected.

In September, 1856, the committee reported that the farm would be almost self-supporting as far as food products were concerned, and recommended the employment of Christian Kolz and his wife for the ensuing year, at \$600.00.

In February, 1859, two acres were sold off the northwest corner of the county farm, to P. D. Miller, for \$20.00 an acre.

In February, 1860, there was allowed by the board of supervisors \$1,894.75 for the support of the poor, outside of the expense of the county farm.

In September, 1860, John White, superintendent of the county farm, reported that there were fourteen inmates. The board of supervisors visited the poor farm, and by resolution thanked and commended John White, the worthy superintendent, for his good management of the farm, and for the solicitous care and kindness shown the poor committed to his keeping.

At the February meeting of the board in 1861, bills for medical attendance on the poor to the amount of \$151.00 were allowed, and ordered paid to Dr. J. C. Vanier.

While the county farm was well managed and the inmates were well cared for, still there were few meetings of the board at which bills were presented but that the board thought excessive and wholly unauthorized. As a remedy to this growing evil, Supervisor Azariah Buck offered the following resolution:

"Resolved, That James M. Perry, clerk of this board, be and is hereby appointed to represent the petition of this board to the legislature of the state of Illinois, and that he personally attend the present session of the legislature and use his exertions to obtain the passage of the bill prayed for in said petition, requiring the respective towns of this county to support the paupers residing therein and that his expense in attending the legislature be paid by this board."

The act was passed as prayed for, by which

it was provided that each political town in the county should provide and care for the resident paupers of their respective towns, since which time each of the towns are supposed to have supported their own poor.

It has, however, been the case invariably that when a person was adjudged insane, that he became at once a county charge, thereby relieving the town of the support of insane paupers.

After the passage of this act the county farm was rented to John White at \$100.00 a year and the personal property sold at public auction, the county discontinuing the care of the poor at the county farm.

The county then sold the farm in September, 1868, to Andrew B. Henry.

The care of the poor both on the part of the towns and of the county continued to be on the increase, especially the care of the insane poor. The county's quota was largely exceeded in the state hospitals for the care of the insane, and such as could not be cared for at the state institutions were kept in the frame buildings of the town of Kankakee. It was evident that some provision should be made by the county, not only as a matter of economy, but in order to accommodate the increasing number of the county's insane.

A committee was appointed in February, 1890, to visit other portions of the state, investigate the system of caring for this unfortunate class of people in other counties, and to report the same to our local board of supervisors. The committee's report was favorable to the purchase of land and the establishment of a county farm. Bids for sale of lands suitable for such purposes were asked for, and received, and numerous sites examined. Mr. D. C. Taylor, supervisor of the town of Kankakee, finally proposed to sell to the county the east twenty-two acres of the present county farm for the sum of \$6,000.00. The proposition was accepted, and the twenty acres adjoining on the west was then purchased from Mr. George C. Simonds, at \$125.00 an acre. A sewer was laid west to the river, and preparations for the immediate construction of the buildings were made. The contract for the present stone building was let to Messrs. Driver and Hillary for \$12,888, C. D. Henry being the architect. The building was completed and ready for occupancy in the fall of

1890, since which time the county has employed a superintendent by the year to care for inmates and farm.

Once a month the committee on the county farm visits and inspects everything connected with the farm and institution and reports the same to the board of supervisors. The county has been fortunate in its choice of superintendents in leaving the farm and institution conducted in an economical manner, and the inmates treated with exceptional kindness.

It is a matter of regret that a location was not secured in which more land might have been secured as the needs of the institution required.

Each town has the privilege of sending their town charges to the farm by paying the county the sum of \$2.00 a week for board.

In the spring of 1889, the county rented the town farm from the town of Kankakee and employed Mr. Freeman Denny as superintendent. He retained this position for one year.

In the spring of 1890, the county purchased the town farm and employed Ralph Sawyer as superintendent, Mr. Sawyer remaining until the spring of 1895, when he was succeeded by Charles McRill.

Mr. McRill served as superintendent until the spring of 1897, when he was succeeded by A. C. McCarl, the present incumbent.

The number of inmates at this time is 42, divided as follows: Poor—Male, 15; female, 9. Insane—Male, 7; female, 11.

There are at this time in the Illinois hospitals for the insane from this county 74 patients; 47 male and 27 female. A total of 92 insane in the county.
