KVG&HS CREST

The idea of the crest on the front cover was born at one of KVG&HS' monthly meetings. The workmanship was that of Mr. CARMAN of Bradley, Illinois who used one of his sign painting pens to put the idea on paper.

The crossed "trade axe" and "peace pipe" above the shield indicates the wars and treaties that took place in the Kankakee River Valley area from the time the first white settler arrived, until the last of the Indian land was sold.

The "white cross" through the center of the shield is for the christian missionaries who first traveled among the Indians and told of the "beautiful land" on their return to civilization.

The remaining four emblems within the shield are for the four major nationalities that settled the area. Starting at the upper right is the "Fleur-de-lis," for the French and French-Canadians, beneath that is a double headed eagle which appeared on many early German flags, to the left of the eagle is a shamrock for the Irish (although the Harp of Tara is the national emblem of Ireland, we thought a shamrock is a better known Irish emblem), and above the shamrock is the Cross of St. George which is part of the flag of England and symbolic in our crest for our English settlers.

GENSCHAW FAMILY TREE

By Mary Ann Schatz

A framed hand-drawn picture of a tree listing the descendants of the GENSCHAW family was given to me by a second cousin, Melvin HASELOW, of Chebanse, Ill., who told me it had belonged to his father. There is no indication of who drew the tree and gathered the information. There is no date on it. However, there is a sheet of the 7 January, 1936, Kankakee Republican News used as a backing sheet. To the side of the tree is a list of names. It is assumed that it is a list of the GENSCHAW family members who were deceased at the time of the drawing.

The base of the tree contains the names of seven couples with their descendants continued in the branches of the trees. Following is a copy of the names on this tree. No dates of birth, marriage or death are given on the tree.

The name of KVG&HS Quarterly, THE-A-KI-KI, is one of at least 17 different spellings of what many say the City of Kankakee received its name. The meanings of these 17 variations range from "swampy place", "wolf", "wonderful land", to "Beautiful Land". KVG&HS, as do many others, prefers the "Beautiful- * * Land" meaning. The-a-ki-ki (pronounced TEA_AKI-KI) took on a corrupted form, Ki-a-ki-ki. The early French pronounces it Quin-que-que. Thus evolved the English, Kan-ka-kee.

INDEX OF VOL. I NOS. 1-2 "THE-A-KI-KI"

This is an index to every surname which has appeared in "The-a-ki-ki's", Vol. I. If a surname appeared more than once on a page it is only mentioned once for that page in the index.
