

UNITED CHURCH OF CHRIST
CHEBANSE, ILLINOIS
1868 - 1968

by Mary Ann Schatz

The United Church of Christ of Chebanse stands on the corner of Walnut and First South.

It all started back in 1854 when Chebanse was laid out by the Illinois Central Railroad. In 1855 a laymen by the name of Andrew MOTTER, pre-empted a farm in the North West Quarter of Section 17, and knowing he had a call to preach, he assembled the people in the depot, school house, and such other places as he could find, and there preach the gospel.

In 1866 Rev. A. G. GOODSPEED located at Odell, was appointed to this work and it was by his earnest labor the Methodist Church was built. He failed to raise the money to purchase material to build the church but went to Chicago and bought the lumber, on three months credit, from a stranger, upon his own personal pledge of payment. He hired Charles MARTIN to superintend the work, which was all done by day. The building was put up at cost of \$2775.00 including all furniture and the Bible. The people of Chebanse responded willingly, so that Mr. GOODSPEED'S pledge was made good.

The building was 32 feet by 55 feet. The lot was donated by the railroad. Other places where people assembled were the Leggottville School and Warren School.

The parsonage was built in 1863.

The Congregational Church was organized 27 October 1868. By call of committee, a council of Congregational Churches met at the Methodist Church to consider the propriety of organizing a Congregational Church at Chebanse. Said council consisted of pastors and delegates from Paxton, Loda, Clifton, Kankakee, Pilot and Monee. Some of the first names to appear on the membership list were Daniel and William ROADIFER, Mansfield ELLIOTT, Mary ROBINSON, Martha BURROUGHS, Emily and Harriet LAUGHLIN, Emma SCHRADER, James and Martha FLEMING, William LANE and George LANE.

In 1904 meetings were held in the G.A.R. Hall while waiting for the new building to be built. On 2 October 1904 the new building was dedicated. The building cost \$5049.66. The church furnishings were provided by the Ladies' Social Circle of the Church. Electricity was put in the church in 1915.

The Congregational parsonage was purchased in 1909.

In 1920 a meeting was held at the home of W. O. NATION with officers of the Congregational and Methodist Churches present to arrange a plan whereby the two churches could co-operate and retain their denominational identity. Articles of Federation were drawn up. Thus, the church was named the United Church.

The church bell was cast by N. C. NEELY, West Troy, New York, in 1856. Mansfield ELLIOT made negotiations with the Congregational Church in Kankakee when it disbanded about 1872 for the bell. Mr. Elliot and his son, Frank, made the trip of 8 miles west of Chebanse to Kankakee in a lumber wagon.

In 1951 the congregation again affiliated with a denomination. This time with the Congregational Christian. On 30 April 1961 the Congregational Christian Church of Christ voted to affiliate with the United Church of Christ.

FROM THE ILLINOIS STATE GENEALOGICAL SOCIETY:

The motto of the Illinois State Genealogical Society is "Keeping a record of our records." With this in mind, the Project Committee has been compiling a record of all the Illinois cemeteries that have been inventoried and all the Illinois censuses that have been copied.

The Project Committee needs the help of all genealogists working in Illinois. Please tell the committee if you have copied a cemetery or a census.

CEMETERIES

A card file is being prepared for all the cemeteries in Illinois. The file will be available to researchers at the Illinois State Historical Library I in Springfield, Illinois. As cemeteries are copied, replacement cards will be prepared continuing the inventory information. Please write Miss Janet Schonert, 1424 Vanderhoof, Decatur, Illinois 62521 giving her the following information about your cemetery inventory.

1. Name of cemetery.
Location of cemetery - county, township, section number, nearest town.
3. Location of a copy of the inventory. Does the Illinois State Historical Library in Springfield have a copy?
4. Date cemetery was copied.
5. Were all the stones copied or only those with death dates prior to a certain year.

CENSUSES

The Project Committee is coordinating the efforts of many genealogists who have volunteered to copy the 1850 Federal Census of Illinois. If you would like to participate, write Miss Marjorie Smith, 7251 Randolph St., Forest Park, Illinois 60130 to find out which counties are yet to be copied.

The Project Committee is interested in learning of all Illinois censuses that have been copied. Write Miss Smith giving her the following information about your census.

1. County and census year.
2. What libraries have a copy of your transcription, Was a copy sent to the Illinois State Historical Society?
3. Are copies available for sale? What is the price?

Contributed by Mary Schatz

Abbreviations Used in this Directory

a-Acres; Ch-Children; O-Owner; T-Tenant or Renter; R-Rural Route; See-Section; Maiden name of wife follows directory name in parentheses (); figures at end of information-year became resident of county. Name of farm follows names of children in quotation marks. In case of a tenant, the farm owner's name follows the figures giving size of farm. Where there are two or more sections of the same number in a township, the range number follows the section number, as "Sec26 R14W." The section can be located by referring to the range numbers on the margin of the map. In some cases the location of the section is given instead of the range number, as "Sec24SW." This means that the Sec24 referred to is in the Southwestern part of the township.
